Note from the President & Vice President

Tantallon Citizens Association: A New Fiscal Year and a Call to Action

Dear Tantallon Community Members:

As we embark on a new fiscal year starting September 1st, we, the President and Vice President of the Tantallon Citizens Association (TCA), would like to take a moment to reflect on the accomplishments of the past year and outline our goals moving forward.

Our community has had numerous successes over the past year and with your unwavering support, we've made significant progress in preserving the unique character of Tantallon.

Whether it's addressing covenant issues, advocating for responsible development, or enhancing our neighborhood's safety and beautification, the TCA has been at the forefront of ensuring that our community remains a wonderful place to live.

We would like to thank each and every TCA Board Member, committee chair and volunteer for their significant contributions to TCA over the past year. As you know, the work we do requires resources, volunteers, and the support of our community.

As we move into this new fiscal year, we are placing a strong emphasis on community involvement and financial support. Your dues are the lifeblood of our association. They enable us to fund essential activities, maintain our common areas, and represent our collective interests in important discussions with local government and other entities.

Please understand that every dollar counts and that also know that the strength of our association directly reflects the commitment of our members. By paying your dues, you're not just contributing to the upkeep of our neighborhood—you're investing in the future of Tantallon.

We kindly and strongly request that if you haven't yet paid your dues, please do so as soon as possible and give extra to any committee. Your timely contribution will ensure that we can continue to operate effectively and address the needs and concerns of our community.

Thank you for your continued support and dedication to Tantallon. Together, we can achieve great things in the year ahead.

Warmest Regards,

Charles Walton

A Summer to Remember!

As we wave goodbye to summer, we can't help but reminisce about Mother Nature's extremes. Spring was a dream—perfect temperatures, gentle breezes, and evening showers. But summer? Oh, she wasn't so kind! With the thermometer soaring past 100 degrees, it was too hot to swim, too hot for golf, and even too hot for a simple walk. And don't get us started on the drought—it left our lawns and flower gardens parched. But now, we look forward to a vibrant and cozy fall ahead!

In Other News Around the Neighborhood:

John Dullahan of Firth of Lorne Circle took an unforgettable sailing trip along the northeast coast this August aboard the Forte Vento. With three companions, he set off from Hartge Harbor, sailing through the Chesapeake & Delaware Canal, and eventually docking at Block Island. Along the way, they were treated to the sight of dolphins, sea turtles, and even humpback whales!

Their adventure wasn't without its excitement—tropical storm Debbie passed nearby, and they enjoyed a breathtaking view of the northern lights. After nine days and 800 miles, John and his crew returned home, already dreaming of next year's voyage!

David Goettee has released Hymns and Songs of My Mother, a professional album featuring 21 traditional hymns and 6 religious songs that were favorites of his parents. David created this heartfelt collection after his mother, shortly before her passing, asked him to make a high-quality recording as a tribute to their cherished music. The album combines classic congregational tempos with artistic variations, including instrumental accompaniments, key

changes, and vocal arrangements by professional musicians. For a sample of David's work, visit <https://tinyurl.com/tortoiseclimbingrsamples>. A Tantallon discount code is available.

Roslyn Murphy of Surrey Circle Drive reconnected with old friends on a Mediterranean cruise. Spanning three continents and twelve days, she and her college girlfriends explored ancient wonders in Athens, cruised to Crete, Egypt, Cyprus, and more. They soaked in the local culture, food, and sights—what a great way to bounce back after the pandemic!

Hampton and Jodi Wilson of Gleneagles Drive have double the reason to celebrate! Their twins, Noah and Nia, graduated from Bishop McNamara this May. Nia, who graduated Summa Cum Laude with honors in Fine Arts, is heading to the University of Maryland, College Park to study biochemistry. Meanwhile, Noah, a Cum Laude graduate and advanced digital art enthusiast, will attend Towson University, majoring in biology.

Both spent their summer working with the PG County Summer Youth Employment Program and their church's youth group. Congratulations to the Wilson family!

Drs. Ronald and Beverly Anderson, longtime residents of the Tantallon community, are also celebrating double the joy this year. Their grandson, Jewel Walker, graduated from Bullis High School and has been recruited to play lacrosse at Ohio State University this fall. Meanwhile, his sister, Jasmine Walker, graduated from Howard University Medical School and will begin her residency in Orthopedics at Louisiana State University in Shreveport, Louisiana, in June 2024. What an incredible year of achievements for the Anderson family!

As we head into fall, we celebrate these exciting milestones and look forward to what's next!

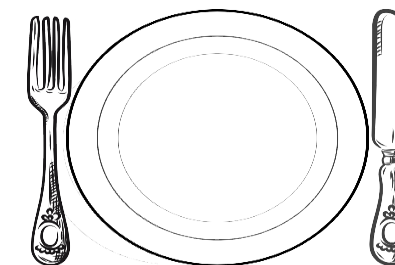

In Rememberance

Joan Pawlowski passed away on October 4, 2023. She and husband Ted (deceased August 16, 2017) were original homeowners of their home on Heather Circle. They moved into their new home in March of 1972 and loved living amongst the tall trees that made up their back yard. They raised their two daughters, Susie and Sharrie, in the home. In August of 2019, Joan moved to Delaware to be closer to her daughter, husband and four grandchildren. She leaves to mourn her loss two daughters and six cherished grandchildren. Interment was at St. Mary's Piscataway Church Cemetery.

Frank Nicolai passed away on July 5, 2023, after a five-year battle with cancer. He is survived by his wife Shirley, son Keith, daughter Karen, and five grandchildren. Frank had a distinguished career in public administration and co-founded American Management Systems. He enjoyed gardening, reading, and following baseball. In lieu of flowers, donations can be made to the Alice Ferguson Foundation or the Paralyzed Veterans of America.

Irene Robb passed away on June 12, 2024, and her husband Maury Robb on July 27, 2023. Irene was a pharmacist, writer, and community activist, while Maury served in the Navy before retiring in 1990. They were married for 61 years, raised two sons, and enjoyed their retirement in Lewes.

Gray Hall, a kind, loving, intellectually curious and humorous young man, left us suddenly at the age of 23 on September 1, 2024. Born on February 22, 2001, Gray lived a life filled with tremendous passion, excitement and love for his family and friends. Gray attended John Hanson French Immersion School and was very active in sports in the Fort Washington community. He was a graduate of Georgetown Preparatory School. Cherished by friends and family members, father William Hall, mother Kimberly Hall, sister Billi and brother Chase, he will be missed.

Restaurant Corner

TACOS AT TANGER

In a recent visit to the Tanger Outlets at National Harbor, a few Tantallonites brought to our attention that in a space near H & M & American Eagle is a group of food trucks. One such food truck proved to be a true favorite.

They offer authentic Mexican fare i.e., quesadillas, tacos, empanadas, fajitas, flautas, enchiladas, burritos, and nachos. A few patrons have already returned for their signature "Bierra Quesadillas," which consists of 4 large triangles loaded with brisket of beef accompanied by pico de gallo, fresh lime wedges and fresh sour cream. Spicy sauces are provided upon request. Tables with umbrellas and adirondack chairs are available.

Other trucks in the group are Ben & Jerry's, Cinnabon, Kabob & Gyro truck, a Popcorn truck, and Cassie Moments (one of our local catering companies). Hours are Wednesday thru Sunday 11 AM to 6:30 PM, Papatios.com 703-254-7042.

Come & enjoy the Latin experience! We know you will want to return.

Muchas Gracias,

Jacque & Edward Akselrad

“Next - Door”

The Next-Door Narratives section is dedicated to the heart and soul of our community – our neighbors. Each edition will spotlight 1-2 local residents, delving into their unique connection with Tantallon and sharing a few personal anecdotes that bring their character to life.

It's more than just a profile; it's a celebration of the diverse tapestry that makes our neighborhood special. From the family that's been here for generations to the newest members of our community, every story contributes to the rich narrative of Tantallon.

And here's the exciting part – you can be a part of this! Know someone with an interesting story or a special connection to Tantallon? We invite you to recommend neighbors who you think should be featured in our next newsletter. It's a wonderful way to recognize the extraordinary people around us and to strengthen the bonds within our community.

This month, we are excited to introduce Robert L. Jenkins, Jr., a resident of Tantallon for the past 15 years. Robert and his wife were drawn to this neighborhood, with its beautiful water views, thanks to her lifelong dream of living here.

Robert originally hails from Charleston, South Carolina, where warm weather is the norm and snow is practically unheard of. “I’ve always had a great appreciation for warm weather,” he shares, adding that it gives him ample opportunity to pursue his love for outdoor activities. A dedicated endurance athlete, Robert enjoys swimming, biking, and running. You may even spot him on one of his daily runs or bike rides around the neighborhood!

When he’s not staying active, Robert can be found enjoying some of the local gems, such as the Smoke Shack barbecue takeout, a family favorite. However, what he loves most about Tantallon is the community itself. “I think the community can be even better if we interacted with one another more frequently. I’m familiar with most people but not on the level I’d like.”

Aside from his athleticism and passion for outdoor activities, Robert is deeply involved with his fraternity, Kappa Alpha Psi. He is a proud member of the Fort Washington Alumni chapter and currently serves as the national vice president, holding the distinguished title of Senior Grand Vice Polemarch. His commitment to the fraternity and community service is a testament to his dedication to making a lasting impact beyond his professional career.

Professionally, Robert is a well-respected attorney who has handled numerous high-profile white-collar crime cases over his 25-year

career. He’s a graduate of the National Law Center at The George Washington University and has appeared as a legal commentator on various local and national platforms, including the reality series American Greed.

On the home front, Robert enjoys spending time with his two daughters, Latrice and Renee, and their beloved Rottweiler, Zulu.

Robert’s advice to new residents is simple: “This is an incredibly friendly community. Don’t be shy to engage.” His enthusiasm for making connections and improving the neighborhood is just one of the many reasons why we’re lucky to have him here.

In Robert’s words, “Enjoy life to the fullest. No one knows the day or the hour it will end. Those things are beyond our control. However, how we choose to live our lives is totally up to us.”

Distribution Committee

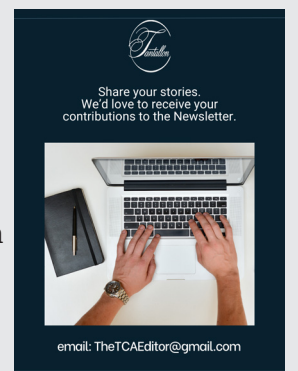

Hello, my name is Keith West and I coordinate the distribution for the TCA Newsletter. We currently have a couple of vacant routes and are looking for distributors for those routes. Routes are usually between 25 to 35 homes. We distribute four times a year, beginning in September and approximately every 3 months thereafter. It's not a time intensive effort at all—it usually takes about 30 to 45 minutes. It entails placing a newsletter near the front door of each residence on your assigned route. In addition to providing a service to the community, it's a great way to get some exercise and possibly meet new neighbors.

If you're interested in joining our distribution team, please call or text me at (301) 643-5452 or you can send me an email at TheTCATreasurer@gmail.com.

You can contact committee Chair. Keith West if you have questions or concerns: 301-292-6561

TANTALLON CONTROL COMMITTEE | The TCC

Thank you for your continuous support of our beautiful community. To enhance its beauty, we established the Fort Washington Road Beautification Project in late 2023 with the goal of improving the scenic beauty of the road for homeowners, visitors, car drivers, walkers, and bicycle riders. We are meeting this goal by 1) repairing and landscaping TCA brick entrance walls; 2) removing weeds, dead shrubbery and overgrown trees along Ft. Washington Road; and 3) installing pole banners welcoming visitors to our community.

To support our project, the Prince George's County Department of Public Works & Transportation committed and completed the removal of dead weeds, dead shrubbery and overgrown trees along Ft. Washington Road. While we believe the county completed this task notably, the removal of the dead shrubbery has exposed the neglected fence repair and/or replacement along the road. Many TCA homeowners have complained about the unsightly fences along the road requiring needed repair and/or replacement, and they have requested that the TCA reinforce adherence to fence standards (I) Tantallon Land Covenants, Clause III 17 and 25; II) TCA fence standards, and III) Prince George's County Residential County Standards).

The TCA Fence Standards

- Fences should be erected with the good side out facing Ft. Washington Road (supporting posts on the inside).
- Fences along Fort Washington Road must be uniform in appearance (stockade style, 8 FT. X 6 FT. pressure treated 3-rail stockade fence) and supporting brick pillars must be maintained/rebuilt in the style as originally constructed.

If you have any questions, please contact the Tantallon Control Committee (TCC), please write to P.O. Box 44069, Fort Washington, MD 20749; you may also contact the TCC via email at tantalloncontrol@gmail.com.

Tantallon Citizens Association MEMBERSHIP DRIVE

The TCA is excited to begin another fantastic year. With so many changes taking place and being considered in our community it is essential for us to stay connected, informed and involved.

With this in mind we are seeking your valued and continued support. Our community is as viable and as valuable as its members. Our connectiveness, relationships and commitment are our driving force. With your membership for this upcoming year, we may accomplish great things and have a voice that is heard and one that make a difference. Your VOTE matters. Let's focus on supporting our own community and making it even better.

ALL memberships reset and are due on September 1st, 2024. The TCA Membership Dues year begins on Sept. 1 and ends on Aug. 31st.

Your generosity continues to:

- Contribute to the beauty of our community with an example and not limited to the "Fort Washington Beautification Project," which spearheaded the maintenance and repair of the entrance walls.
- Allow us to produce and share valuable information through our media platforms such as:
 - the official TCA website
 - the TCA Newsletters
 - the TCA Bulletins
 - hosted events (Fall festival - more info to follow) and much more

Our membership is available to everyone who share in our community vision of safety and local/county development that impacts all of us. In addition, we enjoy the social aspect the most!

Thank you in advance for your commitment and support.

Please share this information with family, friends and neighbors.
